"Danann is the Queen of alpha male characters!" - *Slashed Reads*

If you like paranormal romance, you can't miss this groundbreaking addition to Black Swan that also won BEST PARANORMAL ROMANCE of the year!

New York Times and USA Today Bestselling author, Victoria Danann, adds a dark tale of romantic suspense and adventure to Elora Laiken's epic journey.

A test of courage, past life lovers, and an unforgettable rescue make this dark vampire romance the most exciting and original book yet.

While the devastatingly seductive ex-vampire, Istvan Baka, is forced to relive his tragic life as human and confront his history as a vampire, a very pregnant Elora Laiken gets aid from an unlikely source - a New Forest wolf pack - when she's attacked by assassins from her dimension of origin. While their friends and mates mount respective searches and race to rescue them, these two friends and almost lovers, joined by a mystical bond, separated by distance, must simultaneously struggle alone through their own personal tortures in pain and darkness.

This is the story of Heaven McBride, a Black Swan demonologist who was temporarily assigned as Baka's assistant. When he turns up missing, Heaven agrees to submit to hypnosis to help the rescue effort with possible clues about his disappearance buried in her subconscious mind. During those sessions, she proves that love can wait patiently through lifetimes for the chance to blossom and be fulfilled. She also inadvertently reveals that she's been hiding a unique musical talent. She's the once-in-a-generation summoner, who can call any creature with her flute. Even vampires. A unique twist on a dark fairy tale and the romance of past lives.
