Canned and Crushed

Bibi Belford

Canned and Crushed Bibi Belford

When Sandro Zapote finds out his little sister needs heart surgery, he is determined to help his parents raise the money they'll need to help her get better. Sandro's dad is in the states illegally and must work two jobs to support the family. For one, he picks up roadkill for the department of streets and sanitation and gets paid by the carcass. For the other, he collects scrap metal to recycle for cash. Sandro helps his dad with some of the scrap metal heavy lifting, and one headboard, a weight bench, some gutters, and a few car parts later, Sandro has a brilliant idea: can collecting. Save the environment. Save his family. Maybe even save some spending money for the fabulous, fast new bike he's been coveting.

Well-meaning and with funny inner monologue, Sandro is the kind of person you can't help but cheer for. He's a boy who loves drawing, soccer, and his little sister. And whether he's fishing a fuzzy, dust-coated turtle out from under his sister's bed or organizing a school-wide can drive all by himself, Sandro is a smart, self-aware hero, who makes just a few mistakes along the way.

Canned and Crushed, by first-time author Bibi Belford, gives Sandro a funny, relatable, readable voice, while being fresh and original. It's a story that will open its readers' eyes, dealing with issues of illegal immigration, unemployment, racism and religious persecution, bullying, and more—carefully and with a light and often humorous touch. This is a cross between *The Absolutely True Diary of a Part-Time Indian* and *Diary of a Wimpy Kid*, and it's a book no kid will want to miss.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
