Bigger, stronger, better! Russell Anderson has taken the most original and successful lectionary resource in history and improved on it. He has kept all of the traditional features that have made it a classic, such as: overviews of each liturgical season, commentaries compatible with the Revised Common, Roman Catholic and Episcopal lectionaries, an introduction to the featured Gospel narrator (Mark, in Cycle B), theological reflections for exploring the relationships between the texts, wide margins for note taking and a stay flat binding. He also added suggested sermon titles for each week, a Sermon Angle which briefly explicates the theological theme for the day (sometimes providing two or three of them) and two to four illustrative stories per chapter.
