Who wouldn't want to be...stranded with a wolf?

When the snow started to fall in Chicago, everyone in Sara Allen's office building quickly hurried home. Everyone except Sara and her boss, Jarod McCall. Why? Because her boss was CEO of McCall Holdings and a dominant alpha who made his own rules. Even if it meant being stranded until the city shoveled its way out from under a record snowfall.

As the hours past, Sara became more than upset with Jarod. He'd stranded her in a building with little food, a heating system that powered down on the weekends...and with him! How could she keep her feelings to herself when he kept touching her...kissing her...loving her?

Jarod was a big man with big appetites and he wanted his curvy assistant to satisfy them. Sara might think he was an inconsiderate jackass, but he knew exactly what he was doing...stranding her with a very hungry wolf.
