Women want to know what men think about love and sex, and more importantly, what men NEED when it comes to love and sex. Take Care Of His Balls And You'll Own His Heart is straight talk about what men want and need in a sexual relationship in order to be happy and not feel the urge to flee! This book addresses things like:

Why men won't open up to you

How to get your man to happily open up to you

Where the term "Family Jewels" comes from and why it is important for you to understand

Learn how to create a situation where your man would rather spend his time with you than his friends

Learn the key sexual trigger that is common to every man, and learn how taking care of that trigger gets you everything you want out of your relationship.

Learn what makes men cheat, and learn how to create a situation where he would NEVER cheat because he knows you are the best there is!

Learn how to please your man in bed, every time!

Written in straight forward language by a man, you will hear exactly how to get your man to open up and tell you the things they typically will not. And the key is right there in his Family Jewels! Learn the triggers that will have him not only telling you his secrets, but have him falling all over himself to please you emotionally as well as sexually.

When you start reading you might think the author is a typical male chauvinist, but keep reading and let him give you never before seen insight into the nuts and bolts of why some men cheat, why some men cannot commit, why some men will not open up. The solution is actually very simple, and the author pulls no punches in telling you what the key to the complete relationship is in the mind of the average man.

Some explicit language is used in this book.
