The Camouflage Helmets of the Wehrmacht Paul Martin

This is the first time that an author has tackled the difficult subject of camouflage helmets and Paul Martin has done it in the only way possible: by showing many genuine examples. This first volume examines the sprayed, brushed, and textured helmets as well as those with wire camouflage. On over 300 pages in full color genuine examples are presented in never before seen detail. An indispensable reference for the serious collector of any camouflage helmet. The format is 8.5" x 11".
