Anything can happen on an island with the one who got away...

Fame, fortune and a sexy-as-hell swagger make famous hockey player Mac McCaskill nearly irresistible to Rory Kydd. They shared a searing-hot *almost* kiss years before. But now that she's been contracted as his physical therapist, she's determined to keep things professional. She keeps her hands to herself—until she and Mac are isolated on his private tropical retreat during a raging storm...

Mac never forgot how Rory made his blood burn. He wants the kiss they never had...and much more. But once the storm ends, so does the fantasy. Will the connection they found in paradise survive the real world?
