THIS FIRE CANNOT BE QUENCHED London: Considering how quickly Zane and I met and then wed, a lot of people thought our relationship wouldn't last a month much less the five years we've been married. We've proved them all wrong. We're still deeply in love with an intimate connection neither of us would ever let go. Zane has been ordered to officiate The Decrees, an event that happens once every ten years. He will be holding court over vampires who have committed various wrongs, and judging them. I thought vampires had no laws, but learned there is a movement by some elders to create a way for vampires to stop killing each other over a disagreement. I'm not so sure if that's an accurate description since the past events had been violent, and murderous things. And, I got a call that my mother needs to move in with us for a while due to an injury. The Decrees plus my mother? I don't know if we'll survive it all. Zane: Everyone else saw me as a leader, a force not to be crossed, without suffering the consequences. But London... she saw who I was. She knew and loved the real me. I didn't have to worry about showing my vulnerabilities to her. There was only one weakness I had, her. London was everything to me. My entire world. My greatest fear was losing her. That would happen over my dead body. Zane, Flames of Vampire Passion Series, Book Two, contains steaming, wickedly hot scenes of vivid intimacy, laugh out loud humor and depth of heartfelt connection between Zane and London of real emotion. This work is fiction and meant for an adult audience. M/F, language, violence, second in the series, HEA, paranormal, vampires
