**Cold winds over Cayman (The Orteno Trilogy)** Michael Christopher Ferrier

Chinese interests persuade the Cayman Islands government to transform their paradise into a Las Vegas of the South. Washington suspects political motivations and sends down a key operative. The real story is more sinister: human greed. The agent is equally shocked to discover his long lost dream girl is deeply involved. The international tug-of-war of who will ultimately control Cayman, turns to intrigue, kidnapping, drugs, violence and murder - but, in the end, deep love appears to conquer all.
