Forgive... How? is a pocket-sized, in-your-face, how-to on forgiving. Written with as much sass and sincerity as a face to face conversation with the author, Forgive... How? delivers a powerful punch to the heart of one of life's most complicated topics. Though short and to the point, this tiny book stamps out the struggle associated with releasing resentment to reveal a stress-free path to lasting forgiveness. Shanecka makes turning the other cheek easy as she unravels the misconceptions held by most Christians, and teaches this simple set of practical steps.
