Going to the Crowd: Ever Been Married? Marcus Dean

Why didn't somebody tell me all of this stuff, before? My Parents have been married for over 30 years, my siblings have all been married for awhile, and people have been getting married left and right. Why couldn't any of them let me know some of what I was getting in to? Is it really that difficult? Is it really that hard to sit down with me for 20 minutes to tell me some of what is in store and what I should be doing to get prepared for this "joyous" occasion?

I wrote this book just for you, the reader, to let you know some of what your marriage will entail. Don't forget, it is not all of what you will be dealing with, but it is a great start to what you have to look forward to. You have probably heard about how difficult marriage can be and I am going to line out some of those difficulties. Until I went through some of this stuff myself, I had no idea what was going to be included in my marriage. It really is like walking in a dark room without a flashlight. Well, my friend, here's your flashlight.
