Left Alive to Die: The story of Blue Angels Leader CAPT Harley Hall Susan Keen

This book profiles Harley Hall, a commander of the famed Blue Angels and last American pilot shot down before the Vietnam War cease fire; chronicles jarring evidence indicating that Capt. Hall remained alive for years after his capture; and outlines our government's humiliating response to his wife's and others' pleas to garner attention for this compelling case. No American can read Keen's shocking book without being moved to impassioned prayer for those such as Mary Lou Hall who have no closure and whose lives forever are devastated by a war that many would like to believe never happened. Keen reports important information never before revealed about the plight of MIAs and POWs in Vietnam who have never been accounted for.
