5,500 Quilt Block Designs Maggie Malone

A must-have for every quilter: the ultimate pattern resource, with an astounding 5,500 blocks

With 5,500 blocks to copy, adapt, and combine in countless ways, no quilter will ever have to run out of patterns anymore. Some designs are classics and taken from museum collections, handed from friend to friend, or kept in a family for many years. Each pattern is drawn on a grid showing the number of squares to the block which makes it easy to mix-and-match, because they all draft to the same size. The dazzling choices include a Premium Star, Double Pyramid, Strips and Squares, Farmer's Puzzle, Sunburst, Beggar's Blocks, and countless more. They're arranged by type--including 4-, 5-, and 9-patch patterns; circles and curves; octagons; diamonds; and 8-point stars--and all indexed alphabetically by name. There's even information on each block's source. As a special bonus Maggie Malone has included a section of Alphabet Patch Patterns to use for personalizing every block. No quilter can do without this book.
