"What would it take for you to change the course of your life?" reads the first sentence of **The Courage to Be Rich**, a book that goes beyond the phenomenal success of **The 9 Steps to Financial Freedom** in challenging and inspiring us to realize our full financial potential, and to realize as well that the bottom line of life is comprised of much more than money. Why does it take courage to be rich? Because it takes courage to meet every obstacle and opportunity of life, to forgive ourselves and others for past mistakes, to imagine and achieve a future rich with possibility.

With her signature blend of inspirational and practical advice, Suze Orman asks us to look within, asserting her powerful conviction that once we achieve a state of emotional clarity regarding money, financial clarity will always follow. She guides us through a lifetime of financial issues, from relationships and prenuptial agreements to investment options, from the money we spend in daily life to the money we need for tomorrow. Finally, Suze takes on the seldom-explored subject of money and grace, the rewards it bestows and the responsibilities it confers.

Suze Orman may be the only financial planner for whom words like "hope," "acceptance," and "courage" are part of her daily lexicon. **The Courage to Be Rich** is a book that will change our very definitions of wealth and abundance.
