"That's a fatality!" I said almost flippantly, as we drove by the silver car that was literally wrapped around a tree about 100 yards off the Interstate.

"How can you say that?" responded my wife Pam, "what makes you think so?"

"Oh, just look at the car, and the way they have it all cordoned off, plus they even have the photographers out..."

"Well, it doesn't have to mean someone died..." she replied.

The accident we were driving past was our own car which only a few minutes before had driven by our 17 year old son. At that moment it wasn't a fatality, but it was an event that forever changed our lives.

It was the start of an emotional roller coaster that took a family through weeks of the hope and anguish of intensive care; gut wrenching decisions on when life really ends; and the eventual realization that death is not a finality.

Alton's Smile, isn't just another tale of the tragic death of a promising teenager; but one that tells the remarkable story of a young man who touched the lives of thousands. It is an inspiring story of faith, prayer, miracles and love that reaches beyond this world.

Often through tears, Alton's Smile will bring joy to your heart and a hope of healing for anyone who has lost a cherished loved one.
