Babies enjoy having fun book was made for kid ages from newborn to 5 years old. This is a picture book with a variety of colorful pictures made for children to enjoy. This book can be used as a show and tell experience as you take the time to read along with the child. Babies really do enjoy having special moments with their parents, so what better way of getting this done than taking this book to show them all the different things that they will one day be able to do themselves as they grow up. This book can be a treasure for years to come and your little one will one day be able to read and share with you all by themselves. Get started with your newborn or kid who is waiting to have some special time with them. If you find that you have really enjoyed having this children picture as a part of your library then do me the favor and leave me your best rating in the Kindle bookstore, I would greatly appreciate your act of kindness for me as a publisher. Thank You Lorraine Best
