Higher Principles: The Star People Suzanne Wright

This is a story of some of my personal experiences dealing with ET's. But more than that, it is the story of The Star People. Do The Star People really exist? Who are they? What do they want? I was contacted by a group of ET's calling themselves The Star People. They asked me to channel the information contained in this book to assist humans in their understanding. I agreed to do this for the betterment of our society. You have seen how people look at you when you speak of ET's, so The Star People hope you read Higher Principles with an open mind and learn.
