Rise, Kraken! Alex Laybourne

When Lieutenant Jenna Harrington and her crew pulled their US CoastGuard cutter up against a stricken fishing vessel, the last thing they expected to find was a boat covered in blood, the lone survivor muttering about a sea monster. Yet before they know it, they are locked in a battle with a beast straight from the gates of hell. Pitted in a war against a creature they don't understand, the US Navy is caught in a fight that will change everybody involved, forever. When tensions run high between the captains in the makeshift attack group, their internal squabbles threaten to get them all killed. The Kraken has risen, and the world will never be the same again.
